NOTES

Note: if anyone has a LCI Presidential Medal that is not shown in this catalog please consider allowing me to obtain a digital image of that medal. Also, if a theme or theme pin is not displayed please contact me with the information.

Thanks,

LITPC Webmaster

The research to date (June 5, 2019) indicate that Presidential medals between the years 1960-1961 through 1966-1967 did not have ribbons but were given with a chain. The chains are not shown in the images and the images are enlarged.

Lions Club International Records indicate that International President Aubry Green, Alabama USA (1963-1964) was the first President to recognize people with an International President's Medal; however, with the help of the LITPC membership it was discovered that International President Finis E. Davis, Louisville, Kentucky, USA (1960-1961) gave an International President's Medal.

Updated 09/13/2024: Added Fabricio Oliveira (2024-2025) International President's award on page 29.
