

ARKANSAS - MD 7

ARKANSAS is in the Southern region of the U.S.A. with a population of 2.9 million residents. It is a land of lakes and rivers and thick forests. It is the only state in the Union where one can dig for diamonds on a daily basis. The state is known for its extreme weather with violent thunderstorms, tornadoes, and hail and ice storms. **Little Rock** is the capital where the first Lions Club in the state was organized in 1917.
