SOUTH CAROLINA - MD 32

SOUTH CAROLINA is in what is considered the Deep South of the U.S.A. It was one of the original 13 states of the colonies that declared independence from the British Crown during the American Revolution. It was the first state to secede from the Union at the beginning of the American Civil War and was the founding State of the Confederate States of America.. Presently, the State has a population of almost 5 million residents. The capital is **Columbia** where the first Lions Club was established in 1922.
